S&ME Project No. 1356-95-133

Gentlemen:

Based on recent telephone conversations with Ms. Jan McHargue, it is our understanding that additional information has been requested for the Notification for Structural Fill Facility submitted December 26, 1995 for the above referenced project. Please find attached a Notification for Structural Fill Facility for the Spencer Plant along with a certification that the TCLP data previously submitted is representative of the coal ash from the Kannapolis and Spencer plants.

If you should have any questions concerning this submittal, please contact us.

Sincerely,
S&ME, Inc.

Dan E. Brewer, P.E.
Senior Project Manager
